GAP MONITOR WELL INSTALLATION PROGRAM – 2013
KAWEAH DELTA WATER CONSERVATION DISTRICT

Attachment 2 – Eligible Applicant Documentation

The Kaweah Delta Water Conservation District is a special district, which is a local agency as defined in CWC 10701(a). The Kaweah Delta Water Conservation District was formed in 1927 under the provisions of the Water Conservation District Act of 1927 and has the authority to enter in to funding contracts as defined in Section 2, paragraph 5 of said Act.

Legal agreements among partner agencies and/or organizations are not necessary for this application, as the Kaweah Delta Water Conservation District is the sole applicant for funding. That being said, the Kaweah Delta Water Conservation District will agree to all the conditions and requirements as listed in the funding contract with the Department of Water Resources.
